THE COUNTRY KIDS CHARITY

We raise funds to
bring hope, health
and happiness to
the Aussie country
kids who need
it most.

littlewindmills.com.au

At Little Windmills we are a non-profit organisation committed to the hope, health, and happiness of Aussie country kids who are **seriously ill, injured, disadvantaged** or have **special needs**. We work to provide essential equipment and services to children in need and their families who support them. With our organisation there is no middleman: we deal directly with families, hospitals, and organisations in order to meet the needs of these children and most importantly, make a positive impact on their lives.

Through events, lotteries, donations, and other fundraising initiatives, we are able to make a difference.

Hope, Health, Happiness

The Little Windmills Promise

At Little Windmills we guarantee that 100% of the funds raised from public donations and donor fundraising campaigns go to the rural and regional children and their families who need it most.

We meet our operational expenses through a portion of the funds generated by our lotteries and events, relying on the ongoing generosity and support of fellow Australians to make a difference.

We are governed by a responsible, experienced, and passionate board of directors who volunteer their time in support of Australia's country kids in need.

The child on the left, a girl with dark hair, is smiling and holding up both hands, showing fingers painted with various colors of paint (red, green, yellow, orange, blue, purple). The child on the right, a boy with blonde hair, is looking down at his hands, which also have paint on them. The background is a soft-focus outdoor setting with greenery and a fence.

“Fundraising through our events is a vital part of our organisation and allows us to better support Australian country kids.”

Our Lotteries

We conduct a number of lotteries (art unions or raffles) every year to help raise the much-needed funds to help our Aussie kids in need. These lotteries not only work to provide funding but they also help raise awareness and support where we need it most. Our lotteries allow a lucky someone to win an amazing prize: but also help us make a genuine difference to the lives of kids in need! [Learn more on our website.](#)

Our Events

The Little Windmills team works hard to launch a variety of innovative, fun, and all-round awesome events all over regional and rural Australia. Our events get communities involved and raise awareness of our important mission. Fundraising through our events is a vital part of our organisation and allows us to better support Australian country kids. Want to learn more? [Check us out online.](#)

We are passionate about supporting country families with kids in need, doing it tough throughout rural and regional Australia.

“Thank you so much for taking the time to help us and at very short notice. We cannot express how excited we are to see our other two children, especially to be together for Christmas. Thank you so much for making this possible at this very stressful time.”
